The following are the entry requirements

Applicants must be in possession of six passes in the Secondary Education Certificate (SEC) Examination at Grade 5 or better or when applicable, their equivalent. The subjects must include: English Language, Maltese, Mathematics and at least one of Physics, Chemistry or Biology.

Applicants finishing compulsory education in 2020 who at the time of application have at least three of the qualifications above, may be accepted on probationary status.

Other applicants whose qualifications fall short of those indicated above, including those who have a significant disability or in possession of other qualifications including those held by international students, may also be considered.

The College offers a number of different study programmes to suit different needs.

For full details, conditions and more information, it is highly recommended that you visit the Junior College website and if need be to contact us.
