Dear Parents/Guardians,

The Office of the Principal within St. Margaret College will be offering a ***Walk-In Service*** during the summer holidays. This service will start as from Monday 12th July till Friday 10th September 2021. The details regarding the walk-in service are as follows:

**A) Counselling Service for all students**

This service will be provided by Erica Bondin and Kylie Poppe, College officials who are professionals in this field. Emmanuel Camilleri, the Prefect of Discipline, will also be provided his service, in meeting both parents/guardians and children in the summer months.

This service is aimed at those students who throughout the scholastic year were already working with their *Guidance teachers*, or *College Counsellor*, and for those who experience the need for therapy during the summer months and are seeking help and support.

In this case, for students to benefit from such a service, a call to 25985000 is requested between 8.30a.m. and 12.30p.m. so as to schedule an appointment.

**B) Career Guidance Service for all students**

This service will be provided for by Gordon Camilleri and Marion Vella, officials with vast expertise in this field. The aim of this service is to provide students guidance in processing difficulties related to studies and a career path.

In this case, for students to benefit from such a service, a call to 25985000 is requested between 8.30a.m. and 12.30p.m. so as to schedule an appointment.

I also encourage you, parents and guardians to encourage your children to make good use of these services, services which are aimed towards our students at Saint Margaret College's healthy wellbeing.

I send my regards and I wish you all a valuable and restful summer.

Paul Debono

College Principal of St Margaret College
